Justification of your Evaluation

Group Member	Brief justification of your evaluation of other team member (no more than 100 words for each member)
Name:Fuhuo Xiong	He is our robot hardware designer, he makes the robot by once and once test in order to make the most perfect shape of robot to face the challenge. He also helps Hongkang with some coding and algorithm query and help me analysis data as I required. He finished our presentation and group report alone.
Name:Hongkang Song	He is our main coder, he is really good at coding and also very hard-working. He attends every labs and even extra times. He reviewed the code every time to make the code perfect. He also helped me a lot on testing and error measuring. What a great team mate!
